Dear Secretary Taft:

The automatic recount held this date for the race for Portage County Commissioner had the following result:

The Board conducted a hand count of ballots cast in four different precincts. The hand count was compared to the machine count and the totals proved correct. The Board then commenced to machine count the remaining precincts but at the end of the count of the 85th precinct, Mr. Hostler (the defeated candidate), presented the acting Chairman with a written request to halt the proceeding of the recount. The Board determined that the request be approved because the vote of the 85 precincts already counted matched exactly with the official count.

This recount did not effect the outcome of the election.
