

Minutes
Portage County Transportation Improvement District
March 12, 2018

- Meeting was called to order by the chair, Michael A. Marozzi, at 1:30 pm at the County Engineer's Office in Ravenna Township.
- In attendance were:
 - County Engineer Michael A. Marozzi (Member)
 - Mayor Glenn Broska (Member)
 - Brad Ehrhart (Member)
 - John Kovacich (Member)
 - Claudia B. Amrhein (Member)
 - Todd Peetz (PC Regional Planning)
 - Mike Collins (County Engineer's Office)
 - Mo Darwish (consulting engineer)
- Not Attending:
 - State Senator John Eklund
 - State Representative Sarah LaTourette
- Mayor Broska motioned and Mr. Kovacich seconded approval of the minutes from the September 11, 2017 TID meeting. There was no discussion and the motion passed.
- The next round of state TID funding is coming up. Mike Collins from the Portage County Engineer's Office will send out a notice to all Portage County communities that the deadline for submitting local applications to the PC TID for state funding is close of business on April 13, 2018. These application will be reviewed the PC TID at its April 16, 2018 meeting. Those local applications that are approved will be submitted by the PC TID to ODOT in May 2018.
- Mayor Broska informed the PC TID that the City of Streetsboro intends to submit an application for TID funding for its proposed City Center project. The city intends to submit an application per year for the next three years to help fund roadway improvements. The total project is \$40 million and it will include a new city hall and fire station.
- The next meeting will be on April 16, 2018 at 1:30 pm.
- The meeting adjourned at 2:07 pm.
