

PROBATE COURT OF PORTAGE COUNTY, OHIO
PATRICIA J. SMITH, JUDGE

IN THE MATTER OF _____, AN ADULT
CASE NO. _____

**ENTRY AUTHORIZING RENEWAL OF
PROTECTIVE SERVICES**
[R.C. 5101.682]

This matter is before the Court upon an Application for Renewal of Protective Services. The Portage County Department of Job and Family Services has requested that this Court's previous Order Authorizing the Provision of Protective Services be renewed for the Adult identified above.

Based upon the documentation attached to the Petitioner's Application for Renewal of Protective Services, the Court finds that the Adult is still in need of protective services and the protective services Petitioner proposes are reasonable, necessary and in the Adult's best interest. The Court approves the Protective Services Plan attached to the Application as Exhibit B and incorporates it into this Entry as if fully rewritten. Any amendments to the original Protective Services are incorporated into this Entry.

Therefore, the Court Orders that Order Authorizing the Provision of Protective Services filed in in this Court on _____, 20____, is renewed for a period not to exceed one year, unless terminated earlier by Petitioner or by further order of this Court. The Adult may petition this Court for modification of the court-ordered services at any time.

It is so ordered.
