

eNotification Registration

After an extended trial period, the Portage County General Division, Domestic Relations Division, Probate Division, Juvenile Division of the Common Pleas Courts, and Municipal Courts purchased a CourtView component called eNotification. eNotification is a software program which facilitates delivery of Notices of Hearings via email. The Courts are making eNotification available to all attorneys. Each attorney shall be responsible for providing current contact information, including, but not limited to, an email address. eNotification is not available to self-represented litigants, at this time.

NOTE: CourtView will reflect a “receipt” that eNotification was “sent” via email. It will not provide a “receipt” that eNotification was “received”. The Judicial Staff of each Court shall monitor the status of each “sent” eNotification.

If you are interested in utilizing eNotification, please provide the following information:

Name: _____

Address: _____

Business Phone: _____

Email Address: _____

By signing this document, you agree and elect to receive notices via eNotification.

Please return this signed form to:
