Wild Hikes Challenge - 2019 Verification form

The Portage Park District is pleased to present the Wild Hikes Challenge, a program designed to encourage healthy recreation in our parks and trails while showcasing Portage County's rich natural heritage that we are working to conserve. The theme for 2019 is the year of the Pollinators. We celebrate pollinators for the essential role they play in supporting life, and recognize the need to promote pollinator health across the landscape.

To participate, just walk, hike, skip, jog, run or stroll on 8 of the following trails before December 31st to earn a hiking staff (1st year) and/or a 2019 Wild Hikes medallion. Reference kiosks for maps prior to hiking if you are unfamiliar with a location.
