2022 WPCLF HSTS PROGRAM INCOME GUIDELINES

What criteria will local government agencies use to verify homeowner income?

Local government agencies must use methods accepted by federal government programs to verify income, and each homeowner(s) must demonstrate that their household income levels do not exceed the applicable program eligibility criteria.

What are the eligibility criteria for homeowners to receive funding?

Homeowners may qualify for one of three tiers of funding, depending upon the size of their households, and their aggregate household incomes. The three tiers are based on U.S. Department of Health and Human Services Poverty Guidelines for 2021 which can be found @ <https://aspe.hhs.gov/poverty-guidelines>.

Homeowners whose incomes are at or below 100% of the U.S. Department of Health and Human Services 2021 Poverty Guidelines will receive 100% of the eligible repair/replacement cost for the HSTS.

Homeowners whose incomes are between 100% and 200% of the U.S. Department of Health and Human Services 2021 Poverty Guidelines will receive 85% of the eligible repair/replacement cost for the HSTS.

Homeowners whose incomes are between 200% and 300% of the U.S. Department of Health and Human Services 2021 Poverty Guidelines will receive 50% of the eligible repair/replacement cost for the HSTS.
