RULE 2. COURTROOM CONDUCT

Upon the opening of any Court session, all persons in the courtroom shall stand. Children must be monitored by an adult and shall be removed from the courtroom if their behavior does not comply with the requirements of the Court. All persons in the courtroom shall conduct themselves with decorum and in such a manner so as not to interfere with or obstruct judicial activities or proceedings. All persons appearing before the Court shall appear in appropriate dress. No smoking, eating or drinking is permitted in the courtroom, nor shall anyone bring food or drink into the courtroom. No animals shall be permitted in the courtroom, unless the animal is specifically trained to assist a handicapped individual, and the animal's presence does not disrupt the Court. All cell phones, pagers, palm pilots and any other electronic devices must be turned off before entering the courtroom.

RULE 3. PRESIDING/ADMINISTRATIVE JUDGE

The Judges shall, by majority vote, elect annually one of their members to serve as the Presiding/Administrative Judge, hereinafter referred to as the Presiding Judge. The Presiding Judge may call and chair one meeting per month. The Presiding Judge or the Judge's representative may represent the Court at all public or civic functions occurring during the Presiding Judge's term of office. In the absence of the Presiding Judge, the previous Presiding Judge shall assume the role of Presiding Judge. In all matters pertaining to the Court, the Presiding Judge will have an equal vote with the other two (2) Judges. This includes hiring of new employees, salaries, budgets, job descriptions and all other matters pertaining to the effective operation of the Court.

RULE 4. ASSIGNMENT OF CASES FOR GENERAL SESSIONS

The Judge assigned to a case shall be responsible for the determination of every issue and proceeding in that case until termination. All motions, orders, journal entries and requests for continuance shall be submitted to the Judge to whom the case is assigned. If the assigned Judge is not available, the matter may be submitted to and determined by the Presiding Judge. Subject to Ohio Revised Code Section 2945.71, priority of normal assignments shall be as follows:

1. Jury trials
 - a. Criminal
 - b. Civil
2. Criminal trials
3. Traffic trials

4. Evictions
5. Other civil trials
6. Motions

RULE 5. REASSIGNMENT OF CASES

The Presiding Judge may reassign any case in the furtherance of justice. A Judge appointed or elected to succeed another shall handle the cases assigned to said Judge's predecessor. When a case is transferred, the case file and all records shall be changed to reflect the reassignment to the receiving Judge.

RULE 6. WITHDRAWAL OF COUNSEL

Only attorneys of record shall be considered as representatives of any party in a case. Withdrawal of such counsel shall be only upon application to the Judge no later than ten (10) days before trial, with a statement or affidavit explaining the reason for withdrawal and a journal entry approved by the Court. Upon allowance of withdrawal by the Court, such withdrawn counsel shall serve a copy of said journal entry upon the client.

RULE 7. PLEADINGS AND CORRESPONDENCE

Any pleading or correspondence filed with the Court by an attorney must have the attorney's name, address, telephone number and Supreme Court registration number. Letters of representation must be filed with the clerk's office and become part of the file. If a letter of representation is not filed in a timely manner, the Court is not responsible for any lack of notification of hearings.

RULE 7.01. PROPOSED ENTRY SHALL ACCOMPANY MOTION

Each motion filed with the Court shall be accompanied by a proposed entry.

RULE 8. COURT COSTS

All court costs shall be set by journal entry. A copy of the journal entry setting forth the current court costs is attached hereto.

RULE 8.01 POVERTY AFFIDAVITS

A poverty affidavit filed in place of a cash deposit must state the reasons for the inability to prepay costs and must be approved by a Municipal Court Judge prior to the processing of the Civil action and is subject to Court review at any stage of the proceedings.

This rule shall be subject to the provisions of O.R.C. section 1901.26.

Any advanced deposits for costs shall be waived for those cases brought by the Portage County Prosecuting Attorney on behalf of himself, the Portage County Board of Commissioners, the Portage Combined General Health District, any board or agency with Portage County, or a board of trustees of a township, located within Portage County, or for any child support enforcement agency.

RULE 9. TRANSCRIPT OF PROCEEDINGS

All requests for transcripts shall be made in writing and directed to the court reporter or to the bailiff if the court reporter is not available. The court reporter shall determine the order of preparation and the rate. The court reporter may require an advance deposit based on the estimated cost of the transcript. Priority shall be given to appeals and preliminary hearings.

RULE 10. RETENTION OF COURT RECORDS

Audio tapes shall be erased three (3) years after the last day recorded on that tape. Exhibits, transcripts and depositions may be destroyed at the conclusion of litigation, including times for direct appeal, providing all conditions of Rule 26.05 of the Rules of Superintendence are met.

RULE 11. DISQUALIFICATION OF SURETY

No attorney or other officer of the Court shall be accepted as bail or surety, nor shall any bond be approved having the name of such person thereon as surety.

RULE 12. CASE MANAGEMENT IN CIVIL CASES

(A) Purpose: The purpose of this rule is to establish a system for civil case management that will achieve the prompt and fair disposal of civil cases.

(B) Scheduling of Events: The scheduling of a civil case begins when the case is filed. The case is then managed in five (5) clerical steps and four (4) judicial steps.

(C) Clerical Steps:

1. Summons shall be served in accordance with the Ohio Rules of Civil Procedure. The Clerk of this Court shall accept service of process methods outlined in Rule 4.1 of the Ohio Rules of Civil Procedure, which methods shall include "virtual" service of process utilizing advanced postal technology for service by certified mail, which technology does not modify said Rule, but merely provides for advanced electronic and website technology in the sending of certified mail and receipt of confirmation utilizing the Court website to show the recipient of the mail, the date of delivery and address to which it was delivered, all in accordance with the Ohio Rules of Civil Procedure. All service of process of complaints or other documents with "virtual" service of process are subject to review and/or challenge as further outlined in the above-mentioned Rule, with confirmation of service or process data being made available through the Clerk of this Court.

2. In the event that there is failure of service, the clerk shall notify plaintiff/counsel immediately. If plaintiff/counsel fails to obtain service of summons within six (6) months from the original filing date, the clerk shall notify plaintiff/counsel that the case will be dismissed in ten (10) days, unless good cause is shown to the contrary.
3. Upon perfection of service and failure of the defendant to answer or otherwise appear, the clerk shall notify the plaintiff if pro se or counsel of the default and that failure to submit a journal entry within fifteen (15) days may result in the case being dismissed.
4. After any responsive pleading is filed, the clerk shall immediately forward said pleading and file to the Judge so that the matter may be set for hearing.
5. If no action has been taken on a file for a six (6) month period, and the case is not set for trial, then the clerk shall notify the plaintiff/counsel that the case will be dismissed in ten (10) days unless good cause is shown.
6. When a file has been marked "settlement entry to come" and the journal entry has not been received within thirty (30) days, then the clerk shall notify the plaintiff/counsel that the case will be dismissed unless the journal entry is received within ten (10) days.
7. When the clerk receives a judgment from the Court, the clerk shall enter the judgment upon the journal and serve a copy of the judgment within three days of entering the judgment upon the journal in the manner prescribed in Rule 5(B) of the Ohio Rules of Civil Procedure and note in the appearance docket.

(D) Judicial Steps:

1. Pretrial: For the purpose of this Rule, pretrial shall mean a court-supervised conference chiefly designed to produce an amicable settlement. Said pretrial shall be between the parties and/or their attorneys. The term "party" or "parties" used hereinafter shall mean the party or parties to the action and/or their attorneys of record. After an answer is filed, the case will be assigned to a Judge and the clerk will forward the file to said Judge. The Court will then schedule a pretrial hearing. Notice of said hearing shall be given to all counsel of record and pro se parties by regular mail not less than fourteen (14) days prior to the hearing. Any motion for continuance of the pretrial hearing shall be addressed to the Judge to whom the case has been assigned. Counsel requesting the continuance shall seek the approval of the opposing party before forwarding the request to the Judge, if possible. Counsel attending the pretrial hearing must have complete authority to stipulate on items of evidence and to settle the matters in dispute. The Court shall attempt to narrow legal issues, to reach stipulations as to facts in controversy and, in general, to shorten the time and expense of trial. The parties will file a pretrial statement with the Court, to become part of the record of the case, setting forth all stipulations, admissions and other matters considered at the pretrial hearing. In all civil cases assigned for a bench trial (other than those

cases based on "accounts"), counsel for all parties shall furnish to the Court a trial brief filed with the Clerk's office at least seven (7) days before the scheduled trial date containing the following:

1. A summary of the factual issues to be decided;
2. A list of all lay witnesses to be called;
3. A list of all expert witnesses to be called along with each person's qualifications as an expert witness and a brief summary of their testimony;
4. A list of all exhibits to be offered as proof.

Said briefs are not to be exchanged with opposing counsel, nor shall they become part of the case file. The brief is solely for the use of the Judge to afford reasonable time to prepare any necessary legal research. The filing of these trial briefs through the Clerk's office is merely designed to provide proof of compliance with this Rule.

In all civil cases assigned for a jury trial, counsel for all parties shall furnish to the Court a trial brief filed with the Clerk's office at least fourteen (14) days before the scheduled trial date containing the following:

1. A summary of the factual issues to be decided;
2. The applicable law of the case complete with citations of statutes and cases;
3. A list of all lay witnesses to be called;
4. A list of all expert witnesses to be called along with each person's qualifications as an expert witness and a brief summary of their testimony;
5. A list of all exhibits to be offered as proof;
6. A complete set of instructions to be given to the jury.

Said briefs are not to be exchanged with opposing counsel, nor shall they become part of the case file. The brief is solely for the use of the Judge to afford the Judge reasonable time to prepare the charge to the jury. The filing of these trial briefs through the Clerk's office is merely designed to provide proof of compliance with this Rule.

Any Judge presiding at the pretrial hearing or trial shall have the authority to dismiss the action for want of prosecution on motion of defendant or sua sponte upon failure of plaintiff and/or plaintiff's counsel to appear in person at any pretrial hearing or trial, to order the plaintiff to proceed with the case, to decide and determine all matters ex parte upon failure of the defendant to appear in person or by counsel at any pretrial hearing or trial, and to make such other decisions as the Court may deem appropriate under the circumstances, including: referring the case to the mediation program in the Portage County Common Pleas Court. If the case cannot be settled at pretrial, the case will be set for arbitration, mediation or trial. In certain instances, the court may set the case for a status hearing or another pretrial hearing if settlement or narrowing the issues appears to be possible.

2. **Motions:** All motions not made in open Court shall be submitted in writing alleging sufficient facts in support of the ruling sought and supported by a memorandum of law. Citations to sections of constitutions, statutes and/or cases alone will not be deemed in compliance with this Rule. Opposing counsel may file a response to said motion within fourteen (14) days from service of the motion, and must also file a statement of facts, if alleged different from that of

movant, and a memorandum of law in support of respondent's position contra. Citations to sections of constitutions, statutes and/or cases alone will not be deemed in compliance with this Rule. Affidavits may be submitted by either the movant or respondent as exhibits to said motions and responses. Unless either party requests an oral hearing, or the Court determines an oral hearing should be held to determine disputed questions of fact, the matter will be deemed to have been submitted and the Court will rule on the motion without oral hearing. Issues not raised shall be deemed waived. The Court shall, however, schedule a summary judgment motion for a non-oral hearing pursuant to Rule 56 of the Ohio Rules of Civil Procedure, unless either party requests an oral hearing at the time of filing of the motion or the response to the motion.

3. Continuances: No party shall be granted a continuance of a trial or other hearing without a written motion from said party or counsel stating the reason for the continuance. When a continuance is requested for the reason that counsel is scheduled to appear in another case assigned for trial on the same date in the same or another trial court of this state, the case which was first set for trial shall have priority and shall be tried on the date assigned. Criminal cases assigned for trial have priority over civil cases assigned for trial. The granting of any other request for continuance of a scheduled trial is a matter within the discretion of the trial court. If a designated trial attorney has such a number of cases assigned for trial in courts of this state so as to cause undue delay in the disposition of such cases, the Presiding Judge may require the trial attorney to provide a substitute trial attorney. If the trial attorney was appointed by the Court, the Court shall appoint a substitute attorney.
4. Judgment entries: Counsel for the party in whose favor an order or judgment is rendered shall prepare a journal entry. The journal entry shall be submitted to opposing counsel within five (5) days of the decision. Opposing counsel shall approve or reject the journal entry within five (5) days after receipt thereof. Within fifteen (15) days of the decision, the journal entry shall be submitted to the Judge. The Court may, in the alternative, prepare its own journal entry. Journal entries of settlement may be filed at any time. The avoidance of trial by settlement shall be allowed without the filing of a journal entry, but such journal entry shall be filed within thirty (30) days or the case will be dismissed for want of prosecution. The journal entry shall state which party will pay the court costs. Upon notification from the clerk that the case has defaulted, plaintiff/counsel shall submit an application for default judgment within fifteen (15) days or the case will be dismissed for want of prosecution.

RULE 13. CASE MANAGEMENT IN CRIMINAL CASES

- (A) Purpose: The purpose of this Rule is to establish a system for criminal case management that will achieve the fair and impartial administration of criminal cases. This Rule shall be construed and applied to eliminate unnecessary delay and expense for all parties involved in the court system.

(B) Scheduling of Events: The scheduling begins after arraignment when a "not guilty" plea has been entered and a Judge is assigned to the case. The case is then managed in four (4) judicial steps.

1. Pretrial: When the defendant is not in jail, all first degree and second degree misdemeanors shall be scheduled for pretrial by the assignment commissioner. All other misdemeanors shall be scheduled for trial unless time is waived and a pretrial is requested. The pretrial shall be conducted in accordance with Rule 17.1 of the Ohio Rules of Criminal Procedure and a memorandum of the matters agreed upon shall be filed in each case. Any counsel who fails to appear for pretrial without just cause being shown may be punished for contempt of court. If the parties cannot resolve the case, the case shall then continue in accordance with paragraph 3 below.
2. Motions: All motions not made in open Court shall be submitted in writing alleging sufficient facts in support of the ruling sought and supported by a memorandum of law. Citations to sections of constitutions, statutes and/or cases alone will not be deemed in compliance with this Rule. Opposing counsel may file a response to said motion within fourteen (14) days from service of the motion, and must also file a statement of facts, if alleged different from that of movant, and a memorandum of law in support of respondent's position contra. Citations to sections of constitutions, statutes and/or cases alone will not be deemed in compliance with this Rule. Affidavits may be submitted by either the movant or respondent as exhibits to said motions and responses. Unless either party requests an oral hearing or the Court determines that an oral hearing should be held to determine disputed questions of fact, the matter will be deemed to have been submitted and the Court will rule on the motion without oral hearing. Issues not raised shall be deemed waived.
3. Trials: Each case not resolved at pretrial shall be scheduled for trial to Court. If a jury demand is timely filed, in writing, then the case will be moved to the jury trial schedule, in accordance with Rule 20(B) below.
4. Sentencing: If a pre-sentence report is requested, the sentencing hearing shall be scheduled as soon after the receipt of the report as the Court schedule allows. If a pre-sentence report is not requested, the sentencing hearing shall be scheduled as soon after trial as the Court schedule allows.

RULE 14. CASE MANAGEMENT IN SPECIAL PROCEEDINGS

- (A) Purpose: The purpose of this Rule is to establish a case management system for special proceedings to achieve a prompt and fair disposition of these matters. The following civil matters are considered special proceedings and may be heard by a Judge or Magistrate, to wit: small claims, forcible entry and detainer,

default hearings, rent escrow, replevin, motions to cite, garnishment hearings and debtor's exams. The following criminal matters are considered special proceedings to be heard by a Judge, to wit: preliminary hearings, extradition hearings and B.M.V. appeal hearings.

- (B) Scheduling of Events: Cases which have time limitations established by the Ohio Revised Code shall be scheduled within those time limits for hearing. In all other special proceedings, cases shall be scheduled for hearing within a reasonable time not to exceed ninety (90) days.
- (C) Clerical steps: In all new cases, if plaintiff/counsel fails to obtain service of summons within six (6) months, the clerk shall notify counsel that the case will be dismissed in ten (10) days unless good cause is shown to the contrary. Upon perfection of service, the clerk shall notify plaintiff/counsel of any default in answer or appearance and that failure to submit a journal entry within fifteen (15) days may result in the case being dismissed. After any responsive pleading is filed, the clerk shall immediately forward said pleading and file to the Judge so the matter may be scheduled for a hearing. If no action has been taken on a file for a six (6) month period and the case is not set for trial, then the clerk shall notify the plaintiff/counsel that the case will be dismissed within seven (7) days unless good cause is shown. When a file has been marked "settlement entry to come" and the journal entry has not been received within thirty (30) days, then the clerk shall notify plaintiff/counsel that the case will be dismissed unless the journal entry is received within ten (10) days.

RULE 15. SMALL CLAIMS COURT

- (A) A small claims action is commenced by the filing of a small claims complaint and information sheet pursuant to Ohio Revised Code Section 1925.04. The forms are attached hereto. The defendant is not required to file an answer or statement of defense. If the defendant fails to appear for the hearing, after being duly served, then a default judgment may be entered against the defendant. All pleadings will be construed to accomplish substantial justice.
- (B) Upon filing of a motion and affidavit, as required by Ohio Revised Code Section 1925.10, and upon payment of the required cost, which motion and affidavit shall be filed at least five (5) days prior to the scheduled trial date, the small claim case will be transferred to the regular docket. No transfer will be granted until the required cost is paid.
- (C) The hearing in Small Claims Court shall be conducted by the Magistrate. The Magistrate shall place all parties who plan to offer evidence under oath, then allow the plaintiff and defendant to state their cases. The plaintiff and defendant may subpoena and call witnesses. The Ohio Rules of Evidence and the Ohio Rules of Civil Procedure will not apply to hearings in small claims court.

- (D) After the hearing is concluded, the Magistrate shall make a decision forthwith or take the case under advisement. In either case, after the magistrate files with the clerk a decision in the case, and a Judge enters an order based on said decision, a copy of the decision and order will be sent by the clerk to each of the parties. The Magistrate's Decision may be general unless findings of fact and conclusions of law are timely requested by a party, or otherwise required by law. A request for findings of fact and conclusions of law shall be made before the entry of a Magistrate's Decision or within seven (7) days after the filing of a Magistrate's Decision. The Magistrate's Decision shall indicate conspicuously that a party shall not assign as error on appeal the Court's adoption of any factual finding or legal conclusion, whether or not specifically designated as a finding of fact or conclusion of law under Rule 53(D)(3)(a)(ii) of the Ohio Rules of Civil Procedure, unless the party timely and specifically objects to that factual finding or legal conclusion as required by Rule 53(D)(3)(b) of the Ohio Rules of Civil Procedure. Objections to the Magistrate's Decision shall be considered, and the case decided in accordance with the provisions of Rule 53(D)(3)(b) and 53(D)(4) of the Ohio Rules of Civil Procedure.
- (E) The employees of the Court shall assist prevailing parties in collecting their judgments pursuant to Ohio Revised Code Section 1925.13.

RULE 16. FORCIBLE ENTRY AND DETAINER.

- (A) Hearing: All forcible entry and detainer cases shall be set for hearing before the Magistrate, pursuant to the time limits set forth in the Ohio Revised Code. At that hearing, the Ohio Rules of Evidence and the applicable Ohio Rules of Civil Procedure will be applied. The Magistrate shall, at the conclusion of the hearing, file a written decision within seven (7) days, copies of which will be sent to the parties by the clerk.
- (B) Judgment Entries: The Court shall review the decisions of the Magistrate at least weekly and enter the appropriate judgment entries.
- (C) Objections to Magistrate's Decision: Objections to the Magistrate's Decision shall be considered and the case decided in accordance with the provisions of Rules 53(D)(3)(b) and 53(D)(4) of the Ohio Rules of Civil Procedure.
- (D) If a jury demand is filed in a forcible entry and detainer case, the clerk shall assign and forward the case to a Judge so the case may be scheduled for the appropriate hearing.
- (E) When a plaintiff/attorney files a drug eviction under Ohio Revised Code Section 1923.05.1, the words drug eviction must be displayed prominently in the caption of the case. Failure to do so may result in improper service to the defendant or untimely hearing dates. Upon receiving a drug eviction, the Clerk shall cause both of the following to occur:

- (1) The service and return of the summons in the case in accordance with the Ohio Rules of Civil Procedure, which service shall be made, if possible, within three (3) working days after the filing of the Complaint; and
- (2) The case is to be set for trial not later than the 30th calendar day after the date that the tenant is served with a copy of the summons in accordance with paragraph (E)(1) above.

RULE 17. MAGISTRATES

- (A) Appointment and Use: The Court shall appoint one or more Magistrates to hear the following proceedings:
- (1) Default proceedings under Rule 55 of the Ohio Rules of Civil Procedure;
 - (2) Forcible entry and detainer proceedings under Chapter 1923 of the Ohio Revised Code in which a jury trial is not demanded;
 - (3) Small claims proceedings under Chapter 1925 of the Ohio Revised Code;
 - (4) Traffic proceedings in which there is a guilty plea or written waiver by the defendant of the right to a trial by a Judge;
 - (5) Automatic reference without limitation is hereby made to duly appointed Magistrates of this Court pursuant to Rule 53 of the Ohio Rules of Civil Procedure, Rule 19 of the Ohio Rules of Criminal Procedure and Rule 14 of the Ohio Traffic Rules. Duly appointed Magistrates are authorized to preside over all actions and proceedings described in the above Rules and as otherwise allowed by law and any other rules of procedure, and reference of each such action is hereby made by adoption of this Rule.
- (B) Qualification and Procedure: Magistrates shall have the qualifications specified in the Rules mentioned in the preceding paragraph, each of which Rules shall govern the Magistrate's conduct of civil cases, criminal cases and traffic cases.

RULE 18. ARBITRATION

To expedite the administration of justice, the following procedures for arbitration shall be followed in all civil cases:

- (A) In civil cases in which it has been determined at pretrial by the assigned Judge that the case shall be submitted to compulsory arbitration pursuant to this Rule.
- (B) In any civil case, without limit, the parties may stipulate in writing that the case will be submitted to arbitration in accordance with this Rule. Upon filing of the

stipulation together with a pretrial statement from each party, the case shall be submitted to arbitration.

- (C) In all cases subject to arbitration, the arbitrator shall be appointed by the Court from a list of members of the Bar of Portage County.
- (D) Rule 42 of the Rules of the Court of Common Pleas of Portage County shall be followed in all cases assigned for arbitration in this Court, and that Rule is attached hereto, except that the amounts of compensation allowed are increased to the following: Rule 13.12(A) - \$150.00; Rule 13.12(B) - \$150.00; Rule 13.12(D) - \$125.00 per non-chairperson arbitrator.

RULE 19. COURT STATISTICAL REPORTS, CASE INVENTORY AND ANNUAL REPORTS

- (A) Judges of this Court shall submit monthly to the Court Statistical Reporting Section of the Supreme Court the following report forms in the manner specified:
 - (1) Each Administrative Judge shall submit a complete Administrative Judge Report, which shall be a report of all cases not individually assigned.
 - (2) Each Judge shall submit a complete Individual Judge Report, which shall be a report of all cases assigned to the individual Judge. The report shall be submitted through the Administrative Judge and shall contain the signatures of the reporting Judge, the Administrative Judge and the preparer, if other than the reporting Judge, attesting to the accuracy of the report.
- (B) Each Judge, on or before the first day of October, shall complete an annual physical inventory of all cases reported as pending. A Judge, when initially elected or appointed, shall complete a physical case inventory within three (3) months of the date on which the Judge takes office. Subsequent annual physical inventories shall be completed on or before the first day of October of each ensuing year.
- (C) On or before the last day of March of each year, the Court shall render a complete report of its operation during the preceding calendar year to the legislative authority and the Board of Commissioners. The report shall show the work performed by the Court; a statement of receipts and expenditures for the civil and criminal branches; number of cases heard, decided and settled, and any other data that the Supreme Court, the Secretary of State, the legislative authority and the Board of County Commissioners require.

RULE 20. JURY TRIALS

- (A) Civil: A demand for trial by jury shall be made in accordance with Rule 3

of the Ohio Rules of Civil Procedure. To obtain a jury in a civil case, a written jury demand shall be filed with the clerk, together with a jury deposit. If no number is specified on the jury demand, the number of jurors shall be eight (8). To be effective, a jury demand requires both a written request and a deposit. The jury deposit may be waived if the party files an affidavit of indigency and the assigned Judge determines that the party making the jury demand is indigent. The nonprevailing side shall be responsible for jury costs unless the Court directs otherwise. Said jury demand and deposit must be paid by the pretrial date or the Court will set the matter for trial to Court.

- (B) Criminal/Traffic: Where there is a right of jury trial, the jury demand shall be made in accordance with Rule 23 of the Ohio Rules of Criminal Procedure, on the form contained in the Appendix hereto, within the statutory time constraints. In criminal and traffic cases, the defendant, if found guilty, shall be responsible for the jury costs.
- (C) General: In all civil, criminal and traffic cases, when a jury is demanded and not used, the jury costs shall be assessed against the party making the demand, unless the demand is withdrawn in writing by Friday at noon during the week prior to the trial. If that Friday is a holiday, then the withdrawal shall be filed on Thursday by noon of that same week. The Court must be notified on the Friday prior to jury week if a jury trial is going forward. Failure to do so may result in an assessment of jury costs.
- (D) Jury Use and Management Plan: The jury use and management plan, effective August 1, 1999 with an Amendment January 23, 2009, is contained in the appendix of these Rules and is incorporated by reference.

RULE 21. MISDEMEANOR VIOLATIONS BUREAU

The Misdemeanor Violations Bureau is established, and the Clerk of Courts is appointed to be the Violations Clerk, to collect fines, give receipts and render accounts of the Bureau.

RULE 22. TRAFFIC VIOLATIONS BUREAU

The Traffic Violations Bureau is established and the Clerk of Courts is appointed to be the Violations Clerk, to collect fines, give receipts and render accounts of the Bureau.

Tickets produced by computer or other electronic means may be filed, provided the ticket conforms in all substantive respects, including layout and content, to the Ohio Uniform Ticket set forth in the Ohio Traffic Rules. If a ticket is issued at the scene of the alleged offense, the issuing officer shall provide the defendant with a paper copy of the ticket as required by the Ohio Traffic Rule 3(E).

RULE 23. TRUSTEESHIP

Applicants must be qualified under Ohio Revised Code Section 2329.70. At the time of application, applicant shall exhibit to the clerk a legal fifteen (15) day notice received from a creditor listed in the application within thirty (30) days prior to the date of application. The acceptance of the filing by the clerk of the debtor's application for trusteeship will not cause any attachment or garnishment filed prior to application to be dismissed by the Court.

At the time of application, debtor shall disclose to the clerk the debtor's pay and pay period (weekly, bi-weekly, semi-monthly or monthly). At the time of filing, the debtor must make a payment to the clerk of \$25.00 and, upon receipt of the first pay thereafter, must make a full payment before the trusteeship will become effective. At every pay thereafter, the debtor shall appear and show a pay stub to the clerk, as trustee, and pay as set forth in Ohio Revised Code Section 2329.70. Failure to appear after the initial conference shall cause the deposit to be forfeited by the Court. Failure to make regular payments as set forth above will be cause for termination of the trusteeship. The clerk, in the event that debtor shall fail to make any scheduled payment, shall, within ten (10) days after the scheduled payment is due, mail a letter by regular mail to the debtor, at the address contained in the application, requiring debtor to appear on a date not less than five (5) days nor more than ten (10) days from the date of the letter to show cause why the trusteeship shall not be terminated. If debtor appears on that date, a hearing may be held before a Judge or Magistrate at debtor's request. If debtor shall fail to appear, the clerk shall forthwith prepare a journal entry terminating the trusteeship for cause. The clerk shall cause notice of trusteeship to be forwarded to each unsecured creditor by certified mail with request to verify, under oath, the existence of the account and the amount owed on said account. No appointment or distribution shall be made to any creditor until verification of the existence of the account and the amount owed is filed with the clerk.

The clerk shall cause notice to be forwarded to each secured creditor by certified mail with request to verify account and with election to participate or not participate in the trusteeship. Failure to elect within ten (10) days after receipt of notice shall cause the trustee to declare the creditor a participant in the trusteeship in accordance with Ohio Revised Code Section 2329.71. The election to participate shall constitute a waiver of all interest, penalties and late charges claimed by the creditor. If the debtor wishes to make payments to creditors from exempt pay, such payments may be made directly to any secured creditor (holder of mortgage on any property) in an amount of debtor's choice, provided the payment of the required amount has been made to the clerk as trustee, but only if said creditor is not listed as a creditor in debtor's schedule or such creditor has refused to participate in the trusteeship, or an agreement has been filed and approved by the Court, or debtor may make payment of such amount to the clerk for distribution among the listed creditors. Debtor shall not make any payment directly to a listed creditor who is participating in the proceeds of the trusteeship except with the approval of the Court. Any payment in violation of this Rule shall be grounds for termination of the trusteeship and the clerk on final distribution shall omit the account of that creditor in calculating the distribution. The clerk, as trustee, shall pay to the county Treasurer the sum of two percent (2%) of the total payments made to the clerk immediately prior to disbursement to the creditors. The clerk shall not be required to make distribution to creditors more often than once every ninety (90) days, except that the clerk shall disburse all funds, including the two percent (2%) fee to the county Treasurer, within ten (10) days after termination of any trusteeship.

RULE 24. BROADCASTING AND PHOTOGRAPHING PROCEEDINGS

- (A) The Judge presiding at the trial or other hearing shall permit the broadcasting or recording by electronic means and the taking of photographs of Court proceedings open to the public as provided in Canon 3A (7) of the Code of Judicial Conduct. The Judge, after consultation with the media, shall specify the place or places in the courtroom where the operators and equipment are to be positioned. Requests for permission for broadcasting, televising, recording or taking of photographs in the courtroom shall be in writing and the written permission of the Judge required by Canon 3A (7) shall be made a part of the record of the proceedings.
- (B) Use of more than one (1) portable camera (television, videotape or movie) with one operator shall be allowed only with the permission of the Judge. Not more than one (1) still photographer shall be permitted to photograph trial proceedings without permission of the Judge. Still photographers shall be limited to two (2) cameras with two (2) lenses for each camera.

For radio broadcast purposes, not more than one (1) audio system shall be permitted in Court. Where available and suitable, existing audio pickup systems in the court facility shall be used by the media. If no such systems are available, microphone and other electronic equipment necessary for the audio pickup shall be as inconspicuous as possible, but must be visible. Visible audio recording equipment may be used by news media reporters with the prior permission of the Judge. Arrangements between or among media for "pooling" of equipment shall be the responsibility of the media representatives authorized to cover the proceedings. Such arrangements are to be made outside the courtroom and without imposing on the Judge or court personnel. If disputes arise over such arrangements among media representatives, the Judge shall exclude all contesting representatives from the proceedings. The use of electronic or photographic equipment which produces distracting sound or light shall be prohibited by the Judge. No artificial lighting other than that normally used in the courtroom shall be employed, provided that, if the normal lighting in the courtroom can be improved without becoming obtrusive, the Judge may permit modification.

Still photographers and television and radio representatives shall be afforded a clear view but shall not be permitted to move about in the courtroom during Court proceedings from the places in which they have been positioned by the Judge, except to leave or enter the courtroom. The changing of film or recording tape in the courtroom during court proceedings is prohibited.

There shall be no audio pickup or broadcast of conferences conducted in the court facility among attorneys and clients or co-counsel, or of conferences conducted at the bench between counsel and the Judge. The Judge shall have discretion to limit the photographing of victims, witnesses or jurors.

This Rule shall not be construed to grant media representatives any greater rights than permitted by law wherein public or media access or publication is prohibited, restricted or limited. Media representatives shall not be permitted to transmit or record anything other than the court proceedings from the courtroom while the Court is in session.

Upon the failure of any media representative to comply with the conditions prescribed by the Judge, or the superintendence rules of the Supreme Court, the Judge may revoke the permission to broadcast or photograph the trial or hearing.

- (C) A FAX or an e-mail shall be considered an original document;
- (D) Any signature on an electronically transmitted document shall be considered that of the attorney or party it purports to be for all purposes. If it is established the documents were transmitted without authority, the Court shall order the filing stricken;

- (E) Any document filed electronically that requires a filing fee may be rejected by the Clerk of Court unless the filer has complied with the mechanism for the payment of filing fees.

RULE 28. ISSUANCE OF ARREST WARRANTS

All arrest warrants for cases not covered by Ohio Revised Code Section 2935.03 (crimes which do not require a warrant) shall be issued by a Judge of this Court, upon finding of adequate probable cause, during Court hours. During the hours in which the Court is closed, a police officer in need of an arrest warrant for cases not covered by said section may contact a Judge of this Court to request a finding of probable cause for the arrest warrant. Upon such a finding by the Judge, the police officer shall note on the complaint the date of said finding.

RULE 29. INSTALLMENT PAYMENT OF FINE AND COSTS

In any criminal or traffic matter, when the assigned Judge gives the defendant time to pay the fine and costs, such payment may be made in installments, unless otherwise stated as a condition of the sentence. RULE 35. SPECIAL DOCKET(S) AND PROGRAMS

This Rule governs specialized court dockets and programs.

(A) Establishment of Mental Health Docket: Successful Treatment And Recovery (STAR) Court Docket: The Court established a mental health specialized docket in March of 2006. From 2006 to the time of adoption of this rule the docket has been referred to as the "Mental Health Diversion Program". From the adoption of this Rule forward the program will be known as the Successful Treatment And Recovery (hereinafter "STAR") Court Docket. The STAR Court Docket is now governed by Superintendence Rule 36.20 for Specialized Dockets. It is the goal of the STAR Court to reduce the recidivism among individuals with behavioral and/or mental health issues in the criminal justice system; to reduce periods of incarceration for individuals with behavioral and/or mental health issues; and to successfully graduate participants from the STAR Court.

(1) Placement in the STAR Court Docket: To have his/her criminal case placed on the STAR Court docket, a criminal defendant must make an Application for Admission. To qualify for admission, a criminal defendant must meet the following legal criteria: be a resident of Portage County; be charged with a misdemeanor of the third, second, and/or first degree; have a persistent mental illness that would benefit from court monitored treatment; and, voluntarily enter the STAR Court Docket. The first referral shall be made by the original court assigned the case. The referral from the Originating Court may be made upon suggestion or recommendation of the defense counsel, prosecutor, Judge, Defendant's Probation Officer, trained professional or other interested party, subject to the approval by the Judge of the Originating Court, according to the criteria adopted by the Portage County Municipal Court. Persons charged with OVI, sex

crimes (excluding public indecency), crimes involving the use of any weapon, crimes involving children as victims, and minor misdemeanors or fourth degree misdemeanors are ineligible for the STAR Court. The STAR Court is not available if felony charges are pending.

Upon initial hearing in the STAR Court the defendant is ordered to the Adult Probation Department for an Eligibility Investigation (EI) that includes a diagnostic evaluation to confirm he/she meets clinical criteria. Clinical criteria includes: an "Axis One" diagnosis that is consistent with a severe and persistent mental illness; sufficient stability to understand and comply with program requirements; and the criminal defendant must not pose an unacceptable risk to program staff, family, or community. After referral and upon completion of an Eligibility Report, a team meeting will occur resulting in a suggestion to the STAR Court Judge as to whether the individual should be admitted into STAR Court Program. The STAR Court Judge will determine if the defendant qualifies for the STAR Court Docket. If the Defendant is denied acceptance into the STAR Court, he/she shall withdraw their plea, and returned to the originating court for further prosecution.

(2) Case Assignment for STAR Court: Upon admission into the STAR Court, the case is set for future hearings before the STAR Court Judge, and is designated as such; however, the case is not transferred for Supreme Court reporting purposes. The criminal defendant must have entered a "guilty" or "no contest" plea before the Judge of the STAR Court and be sentenced for acceptance into the program docket. Sentence will be suspended subject to terms of probation that will include the STAR Treatment Plan (that may include restitution and court costs). The Judge and the Probation Department shall have the primary responsibility for case management. In the event the defendant is terminated from the STAR Court for any reason (after acceptance), the case shall be returned to the regular docket.

(3) Mental Health Docket Case Management: Defendants accepted in to the STAR Court will participate in counseling for mental health (individual and/or group sessions) and for substance abuse as appropriate. The treatment plan may also include: obtaining stable housing and reliable transportation, completing high school or obtaining a GED, participating in vocational assessment and entering appropriate training, obtaining and maintaining employment (either part of full-time), and completing any program included by the Court related to mental health, including addiction services. The Program Description, Participant Handbook, and Participation Agreement (as amended from time to time) are incorporated herein in their entirety by reference.

(4) Termination from the STAR Court: Upon successful completion of the Treatment Plan, the criminal defendant is graduated from the STAR Court. If the criminal defendant unsuccessfully completes the STAR Court Treatment Plan, he/she will be terminated from the program. In the event the Court finds the probation terms have been violated, any portion of the sentence remaining may be imposed. A defendant may also be neutrally discharged if he/she is no longer capable of completing the STAR Court.

(B) Establishment of Drug Court Docket.

(1) Creation of Specialized Drug Court Docket: Recovery Inspiring Success through Engagement – "RISE"

Recognizing a drug and alcohol dependent offender poses special challenges to the criminal justice system, the Court has created the Recovery Inspiring Success through Engagement (RISE) Specialized Drug Court Docket to protect the community by reducing recidivism of drug and alcohol dependent offenders. Reducing recidivism is to be accomplished by improving and expediting the delivery of services to addicted criminal defendants through intense supervision and treatment.

Candidates will not be denied admission into the RISE Court based solely on financial ability to pay for services. The RISE Court will consider a participant's ability to pay fees and/or other financial obligations and make reasonable accommodations based on financial ability.

Capacity:

The RISE Court anticipates proper supervision and treatment may be maintained for a maximum of 25 total participants in all phases (1 – 4) combined. This number is subject to court discretion.

(5) Screening and Assessment Process for Recovery Docket.

Upon referral to the RISE Drug Court Docket, Probation Officer will screen defendants and make recommendations on eligibility. Defendants must complete and sign releases of information to facilitate inter-agency communication on behalf of the defendant and Drug Court Docket Team. Upon completion of the eligibility screening and consideration of all applicable criteria and circumstances, the Drug Court Docket Probation Officer will provide a written recommendation to the court. Based upon the recommendation of the Drug Court Docket Probation Officer, and all applicable criteria and circumstances, the Judge shall determine whether defendant is admitted to the Drug Court Docket as (a) a condition of community control, or (b) intervention in lieu of conviction.

(6) Docket Assignment for RISE Drug Court Docket.

Cases shall remain assigned to their original Court. If the defendant is eligible, following sentencing or disposition, the case shall be administered by the RISE Court Judge and may appear on said Judge's docket, but without assignment or transfer from the originating Court. If the defendant is not accepted into the Drug Court Docket, the case remains with the originally assigned Court. If defendant is accepted into the Drug Court Docket, a Judgment Entry Granting Admission and indicating further administration by the RISE Court will be prepared and filed.

(7) Admission to the RISE Drug Court Docket.

The Treatment Team will review each potential candidate and provide a recommendation. The RISE Court Judge will make final determination as to admission.

(8) RISE Docket Case Management.

Upon acceptance in the RISE Court Docket, the participant will enter one of the three (3) possible tracks.

Intervention in Lieu Track: Upon plea, the RISE Court Judge will stay further legal proceedings prior to conviction. The defendant will be placed on community control supervision, ordered to comply with the individual treatment plan, and terms and conditions of RISE Court.

Post-Conviction & OVI Tracks: RISE Court Judge will accept a guilty plea and a conviction will be entered. A sentence will be imposed with any jail time suspended. Defendant will be placed on community control, ordered to comply with the individual treatment plan and the terms and conditions of the RISE Court.

Under each track, the participant is required to report to Adult Probation on the day of hearing. At the conclusion of the hearing admitting the Defendant to the RISE Court Docket, Participant will be provided Notice for the initial Status Hearing prior to leaving the courtroom.

The RISE Court is a 12-month program, divided into four (4) phases: (1) Compliance Phase (Approx. 4 months min. from entrance into program); (2) Program Engagement Phase (4 months minimum); (3) Stabilization Phase (2 months minimum); (4) Maintenance Phase (2 months minimum or until graduation).

Each Phase of the program is detailed in the Program Description.

Defendant will be provided the participant manual and copies of the signed Participant Agreement. The treatment team will continue to monitor the defendant's behavior through treatment team meetings and hold the defendant accountable to the Participation Agreement.

(9) RISE Court Docket Review Hearings (a.k.a. Status Hearings).

Status Hearings will be set at minimum in compliance with the Rules of Superintendence for the Courts of Ohio, Appendix I, Specialized Docket Standards, as may be amended.

The court will schedule regular review hearings to monitor compliance with the original orders, including treatment, in accordance with the client program phases. The Drug Court Docket team is responsible for obtaining and presenting information at the docket hearings regarding defendant's progress. It is the responsibility of the Drug Court Docket team to monitor

compliance through communication with the designated treatment providers, and through direct monitoring and meeting with the defendant.

Various incentives will be used to reward positive behavior and compliance. Generally, graduated sanctions will be individualized to address a participant's non-compliance. Incentives and sanctions are more fully described in the program description but are not exhaustive or intended to limit any appropriate option available to the RISE Court Judge or limit the recommendations from the treatment team.

(10) Program Discharge.

Participants may be discharged with a 'Successful Completion', 'Unsuccessful Completion', or 'Neutral Discharge'. The Program Description provides specific criteria for each of the possible types of discharge.

Successful Completion

Generally, Participants must demonstrate compliant behavior and successfully complete specific requirements contained in the individuals' treatment plan. The culmination of successful completion will include a written aftercare plan and implementation developed with the Adult Probation Officer.

Unsuccessful Completion

Generally, Participants are dismissed from the program and designated an unsuccessful completion when found in non-compliance with term and conditions of the RISE Court. (Includes compliance with treatment plan).

Common behaviors leading to unsuccessful termination include, but are not limited to, the following:

1. On-going noncompliance with treatment plan;
2. Resistance or refusal to comply with treatment or treatment plan;
3. Continued alcohol and/or drug use;
4. New serious criminal conviction;
5. A serious RISE Court violation or series of violations;
6. A serious probation violation or series of violations, including Community Control or Intervention in Lieu violation(s);
7. Any other act for which the Court deems termination appropriate;

The RISE Court Judge will determine the seriousness of any violation and the appropriateness of discharge from the program resulting in unsuccessful completion.

Neutral Discharge

Generally, a Participant will be classified a 'Neutral Discharge' if she or he is no longer able to complete the RISE Court due to serious medical condition including mental health condition, death, or other basis as the Court deems appropriate.

Inactive Status

As deemed appropriate by the RISE Court Judge, a Participant may remain in the RISE Court Program but be classified 'Inactive' if the Participant is physically unable to participate. Generally, a participant will be placed on 'Inactive Status' when the RISE Court Judge reasonably expects the individual to return to a physically able to participate condition and has complied or otherwise satisfied the judge he/she will work the treatment plan.

(11) Professional Education.

The court recognizes the crucial role of professional education for all persons affiliated with the RISE Court Docket. Continued and updated training is essential to promote effective planning, implementation, operation and modification (when needed) of the specialized docket. All persons affiliated with the specialized drug court docket are encouraged to maintain current training. Individuals employed by the Municipal Court and involved with the RISE Court

Docket will be afforded reasonable opportunity to attend relevant training as permitted and in accordance with their employment.

RULE 36. RESTRICTING PUBLIC ACCESS TO A CASE DOCUMENT

A. Presumption of public access. Court records are presumed open to public access:

B. Restricting public access to a case document.

- (1) Any party to a judicial action or proceeding or other person who is the subject of information in a case document, may request by written motion to the Court a restriction of public access to the specific information or the entire document. Additionally, the Court upon its own order may restrict public access to information in a case document or, if appropriate, an entire document. The Court shall give notice of a motion or order to restrict public access to all parties in the case. The Court may schedule a hearing on the motion.
- (2) The Court shall restrict public access to information in a case document or, if appropriate, the entire document, if it finds by clear and convincing evidence the presumption of allowing public access is outweighed by a higher interest to limit public access, after considering each of the following:
 - (a) Whether public policy is served by restricting public access;
 - (b) Whether any state, federal, or common law exempts the document or information from public access;
 - (c) Whether factors supporting restriction of public access exist, including risk of injury to persons, individual privacy rights and interests, proprietary business information, public safety, and fairness of the adjudicatory process;

(d) Any factor the Court deems relevant in weighing the interest in public access to a competing interest.

(3) When restricting public access to a case document or information in a case document pursuant to this division, the Court shall use the least restrictive means available, including, but not limited to, the following:

(a) Redacting the information rather than limiting public access to the entire document;

(b) Restricting remote access to either the document or the information while maintaining its direct access;

(c) Restricting public access to either the document or the information for a specific period of time;

(d) Using a generic title or description for the document or the information in a case management system or register of actions;

(e) Using initials or other identifier for the parties' proper names.

(4) If a Court orders the redaction of information in a case document pursuant to this division, a redacted version of the document shall be filed in the case file along with a copy of the Court's order. If a Court orders the entire case document be restricted from public access, a copy of the Court's order shall be filed in the case file. A journal entry shall reflect the Court's order. Case documents ordered restricted from public access or information in documents ordered redacted shall, not be available for public access and shall be maintained separately in the case file.

C. Obtaining access to a case document subject to Order of restricted public access.

(1) Any person, by written motion to the Court, may request access to a case document or information in a case document subject to an Order restricting public access pursuant to division "B" of this rule. The Court shall give notice of the motion to all parties in the case, and where possible, to any non-party who requested public access be restricted. The Court may schedule a hearing on the motion.

(2) A Court may permit public access to a case document or information in a case document if it finds by clear and convincing evidence the presumption of allowing public access is no longer outweighed by a higher interest.

When making this determination, the Court shall consider whether the original reason(s) for restricting public access to a case document or information in a case document pursuant to division "B" of this rule no longer exists or is no longer applicable; and, whether any new circumstances, as set forth in that division, have arisen which would require the restriction of public access.

D. Motion to Limit Public Access.

A Motion to Limit Public Access shall be in a form substantially similar to Form 96-G1 of the Ohio Rules of Superintendence.

Amendment – January 23, 2009**

E

- A. The opportunity for jury service shall not be denied or limited on the basis of race, national origin, gender, age, religious belief, income, occupation, disability, or any other factor that discriminates against a cognizable group in the jurisdiction.
- B. Jury service is an obligation of all qualified citizens of Portage County, Ohio.

II. JURY SOURCE LIST

- A. Pursuant to Court Order, the jury source list shall be obtained from the Board of Elections and shall be a list of all registered voters in Portage County. Each year that list shall be given to the Portage County Data Processing Department on a disk to be entered in the computer.
- B. The jury source list shall be representative of the adult population in the jurisdiction of Municipal Court.
- C. The Court shall periodically review the jury source list for its representativeness and inclusiveness of the adult population of Portage County.
- D. If the Court should determine that improvement is needed in the representativeness and inclusiveness of the jury source, the appropriate corrective action shall be taken.

III. RANDOM SELECTION PROCEDURE

- A. The Portage County Data Processing Department should enter the jury source list in automated data processing equipment in conformity with 2313.08 and 2313.21. The data processing equipment should randomize the jurors. The names are then pulled at random during a public jury draw.
- B. The Portage County Common Pleas Deputy Jury Commissioner shall draw once each year two thousand, three hundred forty (2,340) persons pursuant to the random selection, to be used as petit jurors in the Portage County Municipal Court.
- C. Departures from the principle of random selection are appropriate only to comply with lawful exceptions.

VI. EXEMPTION AND EXCUSE

- A. All automatic excuses or exemptions from jury service, with the exception of statutory exemptions, should be eliminated.
- B. Requests for excuses shall be written or otherwise made or recorded.

VII. VOIR DIRE

- A. Voir dire examination shall be limited to matters relevant to determine whether to remove a juror for cause and to determine the juror's fairness and impartiality.
- B. To reduce the time required for voir dire, basic background information regarding panel members should be made available to counsel in writing for each party on the day on which jury selection is to begin.
- C. The trial judge shall conduct a preliminary voir dire examination. Counsel shall then be permitted to question panel members for a reasonable period of time set by the judge.

- F. Rules on Voir Dire:
1. The case may not be argued in any way while questioning the jurors.

**Motion to Restrict public Access to Civil
Case Document Pursuant to Sup.R. 45(E)**

The Applicant moves the Court to restrict public access to a case document or information in a case document pursuant to Sup.R. 45(E). The presumption of allowing public access to the case document or information in the case document is outweighed by a higher interest based upon the following:

The Applicant hereby certifies all requirements are met for restricting access to the case document of information in the case document.

NOTICE TO APPLICANT: Restricting public access to a case document or information in the case document pursuant to Sup.R. 45(E) means the public will generally no longer have the right to see or copy the case document or information. Restricting public access does not have the same effect as the sealing or expungement of a case document. Sealing the document generally prevents anyone from seeing it without receiving a court order while expunging a case document means it is destroyed.

To restrict public access the Court must find by clear and convincing evidence the presumption of allowing public access is outweighed by a higher interest.
